SRI GURU RAM DAS UNIVERSITY OF HEALTH SCIENCES ELIGIBILITY CRITERIA OF VARIOUS PROGRAMME FOR ADMISSION

Sr. No	Programme Name	Duration	SGRDUHS Eligibility criteria for admission
1.	Diploma in Medical Radiology & Imaging Technology (DMRIT)	4 Semester 1 semester Internship	Candidate must have passed Senior Secondary (10+2) or equivalent with Physics, Chemistry & Biology subjects with 50% or above marks from recognized School (PSEB/CBSE/ICSE (/HSS/)/College.
2.	Diploma in Medical Laboratory Technology (DMLT)	4 Semesters	Candidate must have passed Senior Secondary (10+2) or equivalent with Physics, Chemistry & Biology subjects with 50% or above marks from recognized School/College.
3.	Diploma in Anaesthesia & Operation Theatre Technology (DAOTT)	4 Semester 1 semester Internship	Candidate must have passed Senior Secondary (10+2) or equivalent with Physics, Chemistry & Biology/ Mathematics subjects with 50% or above marks from recognized School/ College.
4.	Diploma in Dialysis Technology (DDT)	4 Semester 1 semester Internship	Candidate must have passed Senior Secondary (10+2) or equivalent with Physics, Chemistry & Biology subjects with 50% or above marks from recognized School/ College.
5.	Diploma in Catheterization Laboratory Technology (DCLT)	4 Semester 1 semester Internship	First Preference- 10+2 (Medical) with 50% marks. Second preference- 10+2 (Non-Medical) with 60% marks. Third Preference- 10+2 any stream from PSEB/CBSE with 60% marks or any other equivalent examination from recognized Board/University as a regular student.
6.	B.Sc. in Anatomy, Physiology & Biochemistry (APB)	6 Semester 1 semester Internship	Candidate must have passed Senior Secondary (10+2) or equivalent with Physics, Chemistry & Biology/ Mathematics subjects with 50% or above marks from recognized School/ College
7.	Bachelor of Physiotherapy (BPT)	8 Semester 2 semester Internship	Candidate must have passed Senior Secondary (10+2) or equivalent with Physics, Chemistry & Biology/ Mathematics subjects with 50% or above marks from recognized School/College.
8.	Baccalaureate in Anaesthesia & Operation Theatre Technology (B.AOTT)	6 Semester 2 semester Internship	Candidate must have passed Senior Secondary (10+2) or equivalent with Physics, Chemistry & Biology/ Mathematics subjects with 50% or above marks from recognized School/College.
9.	Bachelor of Optometry	8 Semester 2 Semester Internship	Candidate must have passed Senior Secondary (10+2) or equivalent with Physics, Chemistry & Biology/ Mathematics subjects with 50% or above marks from recognized School/ College.

10.	Bachelor of Medical Laboratory Science (BMLS)	6 Semester 2 Semester Internship	Candidate must have passed Senior Secondary (10+2) or equivalent with Physics, Chemistry & Biology (Botany + Zoology) subjects with 50% or above marks from recognized School/ College.
11.	Bachelor of Medical Radiology & Imaging Technology (RIT)	6 Semester 2 Semester Internship	Candidate must have passed Senior Secondary (10+2) or equivalent with Physics, Chemistry & Biology subjects with 50% or above marks from recognized School/ College.
12.	Bachelor of Radiation Therapy Technology (BRTT)	6 Semester 2 Semester Internship	Candidate must have passed Senior Secondary (10+2) or equivalent with Physics, Chemistry & Biology subjects with 50% or above marks from recognized School/ College.
13.	Bachelor of Catheterization Laboratory Technology	6 Semester 2 Semester Internship	Candidate must have passed Senior Secondary (10+2) or equivalent with Physics, Chemistry & Biology subjects with 50% or above marks from recognized School/ College.
14.	Bachelor of Perfusion Technology (BPERT)	6 Semester 2 Semester Internship	Candidate must have passed Senior Secondary (10+2) or equivalent with Physics, Chemistry & Biology subjects with 50% or above marks from recognized School/ College.
15.	B. ASLP (Audiology & Speech Language Pathology)	6 Semester 2 Semester Internship	Candidate must have passed Senior Secondary (10+2) or equivalent with Physics, Chemistry & Biology/ Mathematics subjects with 50% or above marks from recognized School/ College.
16.	Bachelor of Nutrition and Dietetics (Honors)	6 Semester 2 Semester Internship	Candidate must have passed Senior Secondary (10+2) or equivalent with Physics, Chemistry & Biology subjects with 50% or above marks from recognized School/ College.
17.	B.Sc. Nursing	4 years (8 semesters including Internship)	The candidate should have passed 10+2 with Physics, Chemistry, Biology and English Subjects as regular candidate from a recognized institution situated in the State of Punjab only except for the exemptions wherever applicable and must have obtained a minimum of 45% marks (40% for SC/BC) in Physics, Chemistry and Biology taken together and passed in English individually. English is a compulsory subject in 10+2 for being eligible.
18.	General Nursing and Midwifery (GNM)	3 Years	The candidate should have passed 10+2 in Any Stream. The Merit List shall be prepared on the basis of average marks obtained in three core subjects of 12th Class or equivalent qualification (subject to equivalency certificate by Punjab School Education Board). Applicants of the Science Medical Stream shall be given priority in the merit list over applicants of other stream.

19.	Lateral Bachelor of Medical Laboratory Sciences (MLS)	4 Semester 2 Semester Internship	Candidates with minimum 2 years full-time diploma in Medical Laboratory Technology/Science with 50% or above marks from a recognized Government Body shall have passed 'plus-two' [10+2] with Physics, Chemistry and Biology as subjects.
20.	Lateral Bachelor of Medical Radiology & Imaging Technology (RIT)	4 Semester 2 Semester Internship	Candidates with minimum 2 years full-time diploma in Medical Imaging Technology/Radiography with 50% or above marks from a recognized Government Body shall have passed 'plus-two' [10+2] with Physics, Chemistry and Biology as subjects with minimum 1 years of radiology working experience in hospital/academic institution.
21.	Lateral Bachelor of Operation Theatre Technology (BAOTT)	4 Semesters 2 Semester Internship	Candidates with minimum 2 years full-time Diploma in Anaesthesia & Operation Theatre Technology from a recognized Government Body shall have passed plus-two" [10+2] with Physics, Chemistry and Biology as subjects.
22.	Lateral B.Sc. (Catheterization Laboratory Technology) (CLT)	4 Semesters 2 Semester Internship	Candidates with minimum 2 years full-time diploma in Catheterization Laboratory Technology with 50% or above marks from a recognized Government Body shall have passed 'plus-two' [10+2] with Physics, Chemistry and Biology as subjects.
23.	MBBS	5 & 1/2 years including internship	Minimum eligibility criteria for NEET entrance examination. Candidate must have passed Senior Secondary (10+2) or equivalent with Physics, Chemistry & Biology subjects with 50% or above marks from recognized School/ College.
24.	Post Basic B.Sc. Nursing	2 years	The Candidiate must have passed General Nursing and Midwifery Programme from a recognized Institute and is registered with Punjab State Nursing Council as approved by Indian Nursing Council (I.N.C). In Case, the candidate is in service, the application should route through the employer. He/She have passed Senior Secondary (Part II), i.e. 10+2 examination or any other examination or its equivalent there to.

25.	M.Sc. Nursing	2 years	The Applicant should be a registered Nurse and registered Midwife or equivalent with any state Nursing Registration Council. He/She must passed B.Sc. Nursing/B.Sc. (Hons) Nursing/ Post Basic B.Sc. Nursing with minimum of 55% aggregate from an institution recognized by Indian Nursing Council. Minimum one year of work experience after declaration of final result of B.Sc. Nursing or after Post Basic B.Sc. (N) candidates at the date of counselling.
26.	MD/MS (Surgery, Medicine, Radio-diagnosis, Paediatrics, Ophthalmology, ENT, Orthopaedics, Obst. & Gynaecology, TB & Pulmonary Medicine, Dermatology, Pathology, Anaesthesia, Biochemistry, Physiology, Pharmacology, Anatomy, Microbiology, Community Medicine)	3 years	Passed Senior Secondary (10+2) or an equivalent examination from a recognized board with Physics, Chemistry and Biology (PCB) as compulsory subjects, securing a minimum of 50% aggregate marks. Possess an MBBS degree from a University/Medical College/Institution recognized by the National Medical Commission (NMC), with a minimum of 50% marks. Have qualified the NEET-PG examination in the relevant admission year and fulfil the prescribed eligibility requirements for admission to the respective specialization.
27.	Master of Medical Anatomy	4 semesters	The programme will be open to a candidate who has passed regular Senior Secondary (10+2) or equivalent with Physics, Chemistry & Biology subjects with 50% or above marks and B.Sc. Anatomy, Physiology and Biochemistry/MBBS/ BDS/BAMS/ BHMS/BPT/ B. Pharm/ with minimum 50% marks from any recognized University College/Institution.
28.	Master of Medical Physiology	4 semesters	The programme will be open to a candidate who has passed regular Senior Secondary (10+2) or equivalent with Physics, Chemistry & Biology subjects with 50% or above marks and B.Sc. Anatomy, Physiology and Biochemistry/MBBS/ BDS/BAMS/ BHMS/BPT/ B. Pharm/ with minimum 50% marks from any recognized University College/Institution.
29.	Masters of Medical Biochemistry	4 semesters	The programme will be open to a candidate who has passed regular Senior Secondary (10+2) or equivalent with Physics, Chemistry & Biology subjects with 50% or above marks and B.Sc. Anatomy, Physiology and

			Biochemistry/MBBS/ BDS/BAMS/ BHMS/BPT/ B. Pharm/ with minimum 50% marks from any recognized University College/Institution.
30.	Master of Medical Microbiology	4 semesters	The programme will be open to a candidate who has passed regular Senior Secondary (10+2) or equivalent with Physics, Chemistry & Biology subjects with 50% or above marks and B. Sc. medical Microbiology/MBBS/BDS with minimum 50% marks from any recognized University College/ Institution.
31.	Master of Medical Lab Sciences (Microbiology, Biochemistry, Histology & Cytopathology)	4 semesters	Bachelor of Medical Laboratory Science from any recognised Indian University with atleast 50% aggregate.
32.	Masters of Medical Pharmacology	2 years (4 semesters)	This course will be open to a candidate who has passed regular 10+2 Medical & B. Pharmacy at least 60% aggregate OR APB/MBBS/ BDS with minimum 55% marks from any recognized College/Institution.
33.	Ph.D. (Medical Anatomy, Medical Physiology, Medical Biochemistry, Medical Microbiology, Nursing Sciences, Medical Pharmacology)	Part-time: 8 semesters Full time:6 Semesters	Candidates must have passed Senior Secondary (10+2) or an equivalent examination from a recognized board with Physics, Chemistry and Biology (PCB) as compulsory subjects, securing a minimum of 50% aggregate marks. Applicants must possess a relevant undergraduate degree (MBBS/B.Sc.) from a recognized University or Institution, with a minimum of 50% marks. For admission to the respective specializations, candidates must hold a postgraduate degree (MD/MS/MDS or M.Sc.) with at least 55% marks or an equivalent Grade 'B' in the UGC 7-point grading scale in the relevant discipline, as specified below: Anatomy, Biochemistry (preference to Medical Biochemistry), Microbiology (preference to Medical Microbiology), or Physiology. Candidates with an M.Sc. in Nursing Sciences must also have secured a minimum of 55% marks or equivalent grade.
34.	Post Doctoral Fellowship Programmes (Plastic and Reconstructive Microvascular Surgery; Breast Cancer Reconstruction and Aesthetic Breast Surgery; Critical Care Medicine; Pain Medicine)	1 or 2 years	For admission to the respective specializations, candidates must hold a postgraduate degree (MD/MS) with at least 55% marks or an equivalent in the relevant discipline.
